Column-1:	For specifying the clause number to which the information in column 2 and 3 applies.
Column-2:	For stating whether the tenderer's offered terms and conditions conforms to the clause in column-1 by using one of the following symbols.
A) :	The tenderer's offered terms and condition fully conforms to the clause in column-1.
B) :	The tenderer's offered terms and conditions do not fully conform to the clause in column-1.
Column-3:	State the alternative only if the Symbol B has been used in Column-2. The benefit which EA will have, if such alternative is accepted, must be stated.

The bidder shall complete the Commercial Compliance Sheet furnished in the Bid Document strictly in accordance with the instructions given in the tender. However, the following points are further added.

A word such as "noted" is inadequate and will be treated as not complied.

Where a clause is stated to be "complied" the bidder may provide further reference details. In the event of any discrepancy between these details and the statement of compliance, the compliance statement will be taken by Etisalat Afghanistan as correct and binding upon the bidder and the details (including footnotes or specified in any other form or place) given by the bidder will be ignored.

Where the clause is stated to be "not complied" or "partially complied" then the bidder will provide full details of the deviation from the specified requirements together with full details of any alternative arrangement offered.

Simply signing of every page of bid document will not serve the purpose of the compliance statement and will be treated as not complied, therefore proper compliance sheet should be attached with bid.
